Song: Aphrodite's Daughters Artist: Kiva Album: Alchemy We sit and sing At the warm waters edge Combing our hair Over laughter Born by rust And formed by sea For we are Aphrodite's daughters Our ...In Homer's Iliad, however, she is the daughter of Zeus and Dione. Plato, in his Symposium 180e, asserts that these two origins actually belong to separate entities: Aphrodite Ourania (a transcendent, "Heavenly" Aphrodite) and Aphrodite Pandemos (Aphrodite common to "all the people"). The first story was when a Cronus threw Ouranus ( the God of the sky into the sea), and Aphrodite emerged from the sea. The second story is that Aphrodite was the daughter of Zeus and Diana.
