

Download How Do We Get To Heaven

In the Bible, God tells us what we need to do to have eternal life. He tells us how we can to get to heaven, how we can go there--and he wants us to make it. He wants to know us and he wants us to make it into heaven. He is not willing that any should perish, but that all should come to repentance (ref. 2 Peter 3:9). You are about to read the most important information that you will ever read. It is called the gospel of Jesus Christ. People have a lot of ideas about how to get to heaven. You might think that all you have to do is be a good person, go to church, or help others. If we look at the story of Israel in the Old Testament, we each see a parallel to the endless struggle in our own life: obeying God, disobeying God; clinging to God, rejecting God. Eventually, we all backslide into sin. No one can meet God's standard of holiness to get into heaven. God is sovereign over the ends and means of our salvation. Those who he has saved will continue to press on by the means of grace.
