I like about the book, "Me, Mop and the Moondance Kid" is how it ends Mop get adopted by Marla and Jim and the elks won the game. And after Mop get adopted her behavior changed. This book was about T.J., Mop and Moondance who were best friends they lived in Dominican Academy which was home for children who did not parents to take care of them. As, T.J. and Moondance get adopted they get used to their parents and love them but mop was not adopted. Mop felt sad that she wont get adopted. Now T.J. and Moondance have been adopted, and Mop has to find a family before the orphanage closes and "leftover" kids are sent away. Mop hopes that if she can play catcher for the Elks, the Little League baseball team that her friends have joined, the coach will be so impressed that he and his wife will adopt her. If you like sports stories, then Me Mop and the Moondance Kid is the book for you. We did not think that the book was interesting because it repeated itself over and over. Of course not. Best of all, if after reading an e-book, you buy a paper version of Me, Mop, and the Moondance Kid. Read the book on paper - it is quite a powerful experience.
